Minutes of Meeting (MoM)

Meeting Topic: Website Updates and Admin Panel Improvements
Date: 14 October 2026

Discussion Points & Action Items

1. **Forgot Password Functionality**
   Add a “Forgot Password” option to the login page to allow users to reset their passwords when required.
2. **Blog Page Renaming**
   Rename the “Blog” page to **“News & Updates”**
3. **GML Page Route Correction**
   Correct the router name for the GML page
4. **Admin Panel – Document Form Customization**
   Remove unused custom fields from the document form in the admin panel
5. **Separate Email IDs for Careers and Inquiries**
   Configure separate email IDs for **Career-related communications** and **General Inquiries**
6. **Admin Panel – Create New Users**
   Enable the admin to create new users directly from the admin panel.
7. **Admin Panel – Tab Reordering**
   Reorganize the admin panel tabs by placing **“Investor Table Formats”** above the **“Document”** tab, with the Document tab positioned immediately below it.
